### **Explanation enhanced statutory fee smallscale studyprogramme**

The Gerrit Rietveld Academie is allowed to set the  
statutory fee at a higher level based on the  
'Distinctive feature of small-scale and intensive  
education', awarded in 2013 by the Dutch-Flemish  
Accreditation Council (NVAO). The enhanced statutory  
fee is already included in the above rate.

This enhanced statutory fee enables the academy to  
provide students with an intensive, smallscale,  
international studyprogramme with a strong focus on the  
individual student. By handling a relatively limited  
raise for the majority of the students (the group that  
is allowed to pay the statutory fee), the institutional  
fee can remain relatively low. This way, the academy  
aims to lower the bar for the minority of the students  
(non-EU/EEA nationality or students with a Dutch Master  
degree) who have to pay the institutional fee.
